MANAGING DIRECTOR'S WELCOME

Here at MCC, we truly believe that every student has the ability to achieve their own personal goals, once inspired and motivated effectively. Our proven ethos in education empowers students to face the challenges ahead with a confidence and determination that is much more than an academic skill - it is a life lesson well learned and an essential preparation for the open journey of life.

Understanding is the essence to success. If you don't understand things and just mug up, it is same as a blind man shooting. Here at MCC we make students understand. We try to make students curious to find out reasons behind things and not just mugging things up and taking studying as a boring duty. We don't make students study we make them learn through various innovative ways of teaching. Our self-made tests helps the students find their mistakes and help them to improve.

CA Manoj Gupta (Mittal)

PARENT - INSTITUTE RELATIONS

At all times, we endeavour to maintain constant contact with parents or guardians and discuss openly any concern parents may have or any issues that may arise. In addition to the monthly subject reports, parents are also welcome to meet with the faculties throughout the year. This close cooperation between parents and the Institute plays a vital role in the success of our students.

AKSHAT AGARWAL

“It's a very friendly atmosphere at MCC. You have great access to faculties and they are willing to give extra help, especially with exam papers and handouts. It can be tough at times but I found the atmosphere to be very friendlier. The teachers do push you a bit harder which is great when you get the results you need. The teachers are very motivated and helpful, they focus on what is important and they are very exam oriented which allows you to perform better when it comes to the Exams.”

“MCC helped me to recreate a CA-test environment in the mock test so that when I sat for the actual exam I was confident. The analysis provided by the MCC team was also of very high quality which helped me to recognize and rectify my weakness and fine tune my timing strategies in exam”. MCC has been nothing less than what I had hoped for. There were supportive seniors and faculty, quality education, real world experiences and amazing friends. Its everything one needs from an institute. The growth I have seen in myself due to MCC, is invaluable.”

“I found that the various classes were extremely exam-focused and taught you basic exam techniques which could be easily applied to all subjects and are often overlooked. The experienced teachers pointed out common pitfalls and were easily approachable if you had difficulty understanding a concept. Being surrounded by motivated, like-minded people was beneficial as it drove me to work harder and achieve what I wanted to achieve.”

Regular study pattern and experienced guidance prepared me for performing best. I was regular in my MCC classes, I regularly revised topics explained in MCC's class on daily basis and took guidance from my MCC teachers to understand them better. Manoj Sir, director of MCC always motivated me to perform best. He gave me proper guidance to perform better in Exams. Regular mock tests and mcc syllabus guidelines guided me to do smart work. A perfectly motivating environment encouraged me. I also want to thanks to my parents and brother for their unconditional support and love. Without their support this achievement was impossible.

Just a few words about MCC... it really is the best institute out there. I couldn't have asked for more; the teachers were so helpful to me, whenever there was anything I needed or didn't understand they were always there without delay. They made me feel right at home. The facilities were just amazing and the place felt homely. The MCC experience was definitely one that I will never forget. It was quite possibly one of the best decisions of my life and I'm so grateful that I had the opportunity to go there. I would recommend MCC to anybody.
